

Shri Sarvottam Stotra

- By Shri Gusaiji Paramdayal

When was Shri Sarvottam Stotra Created?

In 1587, Shree Mahaprabhuji after taking the permission of Shri Thakorji, departed from the earth and arrived back in the abode of god. This is recognized as "Asurvyo moh leela". This was the time when Shri Sarvottam Stotra was created.

Why was Shri Sarvottam Stotra Created?

Shri Mahaprabhuji

At that time, Shri Mahaprabhuji's second son, Shree Vitthalnathji (Shri Gusainji) was 15 years old. He missed his father a lot and so did a complete fast for three continuous days. During those three days he used to murmur and remember his father Shri Mahaprabhuji in his heart.

How was Shri Sarvottam Stotra Created?

Thus his father appeared to him in three divine forms. (1) Shree Thakorji swarupa (2) Shree Swaminiji swarupa and (3) Sakshi

bhavnatmak acharya swarupa, and made his son experience 36 divine plays of all three forms.

Who Created Shri Sarvottam Stotra?

Shri Gusaiji

During those three days, every divine play's meaning was clearly understood and resided within his heart. Thus in this way Shri Gusaiji's heart experienced all 108 plays of Shree Mahaprabhuji. Then Shree Gusaiji recited "The Sarvottam Stotra" explaining the meaning of the 108 slogan names created from the 108 plays which he had experienced. Thus Sarvottam Stotra was created

Introduction to Shri Sarvottam Stotra

॥ PRAKUT DHARMAN ASHRAYAMAPRAKRUT
NIKHIL DHARMA ROOPMITI ॥

॥ NIGAM PRATI PADYAM YAT
TACHCHUDDHAM SAKRUTI STAUMI ॥—1

Shri Purna Purushottam is pure swaroop”, therefore, lokik dharma should not come in the way of alokik dharma. This is what is said in Veds. To such “Shri Purna Purushottam I, Shri Gusaiji pray.

॥ KALIKALATAMASHCHH ANNA DRUSHTI
TWADVIDUSHAMAPI ॥

॥ SAMAPRATYA VISHAYATASYA
MAHATMYAM SAMBHOOH BHUVI ॥—2

His true form cannot be recognised by this world, as even the wise men and knowledgeable souls have been blinded by the immense darkness of this Kaliyuga.

॥ DAYAYA NIJ MAHATMYAM KARISHYAN
PRAKTAM HARIHI ॥

॥ VANYA YADA TADA SWASYAM
PRADURBHOOTAM CHAKAR HI ॥—3

Shree Hari, when out of pity decided to bless the beings of this world with his divineness, then was the form generated from his Everglowing face

॥ TADUKTA MAPI DURBODHAM SUBODHAM
SYDAYATHA TATHA ॥

॥ TANNA MASTO TTAR SHATAM PRAV
AKSHYAM YAKHILAGHHRUT ॥—4

In Spite of the such a blessing, it is still beyond us to even understand the greatness of such a divine form created by Prabhu. However, he may be best understood as one who relieves jeeves of all their sins. I (Shri Gusainji) present the 108 names of Shree Mahaprabhuji

॥ RUSHIR AGNI KUMARASTU NAMNAM
CHHANDO JAGAT YASAU ॥

॥ SHRI KRUSHNA SYAM DEVTA CHA BIJAM

Once in the fold of pushtimarg, to be blessed with even moksha is of no use. It is similar to be blessed with moksha even otherwise. Hence it is most ideal to seek Shree Krishna himself by reciting Shri Sarvottam Stotra.
